

Line of Credit

Predicting the exact performance of your company can be difficult, our line of credit can help bring financial relief to a business owner by providing access to capital on an as-needed basis. This saves you money on cost since it offers low cash rates and you are only charged for the funds you draw. Our line of credit gives you access to capital quickly and with minimal paperwork.

How it works:

- Receive each draw within 24 hours
- Take advantage of unexpected business opportunities
- Stabilize cash flow quickly
- Satisfy Liens and other debts
- Cushion against seasonal / slow periods in sales
- Expand / Renovate

With up to \$100,000, use LOC to:

- Purchase new equipment, restock inventory
- Pay off existing debt
- Cushion against seasonal or slow periods
- Expand or renovate
- Enhance marketing efforts
